

HP Elite Thunderbolt 3 Dock

Portable, clutter-free docking for your HP EliteBook

Create a remarkably powerful and streamlined workspace without the clutter with the HP Elite Thunderbolt 3¹ Dock. Available in 3 options dependant on your notebook requirements. Choose from HP Elite 65W dock, HP ZBook 150W dock or HP ZBook 200W dock. Get expansive device, display, and network connectivity plus simultaneous charging of your system through one simple cable from the dock to your HP EliteBook.

Amplify your notebook

Have a lot to attach? No problem! Link up to 10 devices at once through ports that include Thunderbolt™ 3¹ (which also supports Display Port 1.2 and USB 3.1 Gen 2), four USB 3.0, RJ-45, VGA, combo audio, and two additional Display Ports.

Charge and connect

Rapidly replenish your HP EliteBook's power after a demanding day with an impressive charging station that passes power directly through a Thunderbolt™ 3 power cable.

Tidy up

Proudly display this sleek and efficient solution in the office, or tuck it away and clean up your workspace for good. Either way, no more cables and no more clutter to worry about.

Expand your view

Take multi-tasking to the extreme with support for two UHD/4K displays that can be ready to broadcast every color and detail of your projects through a superfast bandwidth connection as soon as you plug into to the dock.

Experience an office on the go

Get stunningly easy setup on a dock that is small enough to take with you. Slip the dock into your briefcase and initiate charging, expansion, and wired networking with one cable

Portable but won't walk away

Use the integrated security lock slot and your choice of lock (sold separately) to secure your dock to another device, desk, or table.

¹ Install all the latest drivers for your Thunderbolt device before connecting the device to the Thunderbolt port. Thunderbolt cable and Thunderbolt device (sold separately) must be compatible with Windows. To determine whether your device is Thunderbolt Certified for Windows, see thunderbolttechnology.net/products.
